

# HP Universal Bond Paper

**The HP large format printing system—the complete solution**

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

**Get the ColorPRO difference with this economical, FSC®-certified paper<sup>1</sup>**

ColorPRO Technology produces more striking colors, crisper text and graphics, and higher-contrast blacks for professional quality and striking results at production speed.

**See the ColorPRO Technology difference**

See the difference. See precise lines with sharp, fine detail. See high-impact graphics with an extended range of colors. HP Universal Bond Paper with ColorPRO Technology delivers professional quality, striking results.

**Print with ease—with the environment in mind**

Keep a brisk pace. HP printing materials are designed together with HP inks and the printer to provide consistent, quality performance. Meet the environmental objectives of your company—and your clients—with this recyclable<sup>2</sup>, FSC®-certified paper<sup>1</sup>.

**Increase productivity and lower printing costs**

Optimize your everyday printing with the reliable, trouble-free performance of economical HP Universal Bond Paper. Many choices, including metric and jumbo sizes, cut steps from the workflow for higher productivity and lower costs of printing.

Target customers	Applications	Benefits
